Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(North Knoxville) N. Broadway Lane Closures [February 9] – KUB crews will close lanes on the following sections of N. Broadway between 9 a.m. – 2:30 p.m. on Wednesday, February 9, as work is performed on the water distribution system:

- Southbound curb lane of traffic closed on N. Broadway between Claiborne Place and Oglewood Avenue (One southbound lane, center turn lane, and both northbound lanes remain open)
- Inside north- and southbound lanes closed at 4215 N. Broadway near Marietta Avenue (Curbside north- and southbound lanes will remain open)

Flaggers, signs, and channeling devices will be on site to assist with traffic control. Access to area driveways and connecting side streets will be maintained.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 468,000 customers.
