Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

(North Knoxville) N. Broadway Lane Closures [Overnight, September 21] – KUB crews will close a short section of the northbound, curbside lane of N. Broadway at W. Jackson Avenue overnight from 3-6 a.m. on Thursday, September 21, as work is performed on the electric distribution system in the area. One northbound lane, the center turn lane, and both southbound lanes will remain open during this time. Access to W. Jackson Avenue will be maintained during this time frame.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 453,000 customers.
