Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Hardin Valley) N. Campbell Station Road Lane Closures [Weekdays, April 20 – May 8] – KUB contract crews will implement lane closures of N. Campbell Station Road between El Rancho Trail and Pierceson Lane weekdays from 8 a.m. – 5 p.m., starting Monday, April 20, through Friday, May 8, as prep work is performed ahead of natural gas system work in the area. The closed lane will vary, and traffic flow will be maintained in both directions through the work zone. Follow-up advisories will be issued as necessary.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
