Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

(South Knoxville) Palmer Street between Fort Avenue and Hawthorne Avenue– KUB crews will close Palmer Street between Fort Avenue and Hawthorne Avenue Wednesday, December 14, from 10:30 a.m. through 4:30 p.m., as work is performed on the electric system in the area. Flaggers will be present to assist with maintaining traffic flow. Access to driveways will be maintained. Appropriate signage will be placed on site to assist with traffic control. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

See map on Page 2.

TRAFFIC ADVISORY

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, fiber, natural gas, water, and wastewater services to more than 478,000 customers.
