Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

(West Knox) Lane Closure - Papermill Drive (April 26) – KUB contractor crews will close the westbound lane of traffic on a short section of Papermill Drive between Coleman Road and Kalmia Road from 6:30 a.m. – 5 p.m. Tuesday, April 26, as work is performed on the water distribution system in this area. The eastbound lane will remain open with flaggers present to alternate traffic flow. Access to driveways and connecting side streets will be maintained. Appropriate signage will be placed on site to assist with traffic control. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 473,000 customers.
