Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

(West Knoxville) Road Closure - Broome Road [August 8 - 10] – KUB crews will close a short section of Broome Road, between Chadwick Drive and Kempton Road, daily from 9 a.m. – 4 p.m., starting on Tuesday, August 8, and lasting through Thursday, August 10, as work is performed on both the natural gas and water distribution systems in the area. Alternate routes include Chadwick Drive and Corteland Drive. Flaggers and signs will be on site to assist with traffic control, and Friday, August 11, will be used as a rain date if necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 453,000 customers.
