

## TRAFFIC ADVISORY

December 30, 2016

To: Local Media Representatives

From: KUB Communications

Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

**(North Knoxville) Road Closure- East Inskip Road [January 3 & January 4-13] –** KUB contract crews will close a short section of East Inskip Road, between Cedar Lane and Henrietta Drive, on the following dates and times in order to perform work on the wastewater collection system in the area:

- **January 3, 2017** between 7 a.m. -5 p.m.
- **January 4, 2017- January 13, 2017** between 9 a.m. – 3 p.m. (*Excludes weekends*)

All lanes will reopen outside of listed work hours. Alternate routes include Cedar Lane, Henrietta Drive, Charles Drive, and Montrose Road. Local traffic access to driveways will be maintained, and signs will be on site to assist with traffic control.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 445,000 customers.*
