Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

(West Knoxville) Road Closure – Dewine Road [October 18] – KUB crews will close a section of Dewine Road between Ball Camp Pike and Harrison Forest Way from 9 a.m. – 4 p.m. on Wednesday, October 18, as work is performed on the water distribution system in the area. Alternate routes include Ball Camp Pike, Matlock Drive, Henson Road, and Dewine Circle. Flaggers and signs will be on site to assist with traffic control, and access to driveways will be maintained. Thursday, October 19, will be used as a rain date if necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 453,000 customers.
