Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(Downtown) S. Gay Street Lane Closure [April 21]** – KUB crews will close a short section of the outside, curbside lane of S. Gay Street between Union Avenue and Clinch Avenue from 8-11 a.m., Tuesday, April 21, as work is performed on the water distribution system in the area. One southbound and one northbound lane will remain open. On-street parking will be closed in the impacted section. Follow-up advisories will be issued as necessary.

**(Cedar Bluff) Kingston Pike Rolling Lane Closures [April 21]** – KUB contract crews will implement rolling lane closures of westbound Kingston Pike between Ebenezer Road and Essex Lane from 9 a.m. – 1 p.m., Tuesday, April 21, as work is performed on the natural gas distribution system in the area. The closed lane will vary as work progresses, but westbound traffic will be maintained at all times. Eastbound traffic will not be impacted, and access to area businesses will be maintained. Follow-up advisories will be issued as necessary.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
