Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures and work are weather permitting]

**(East Knox) S. Chilhowee Drive Road Closure [Extended June 11]** – KUB contract crews will maintain a closure of S. Chilhowee Drive between Asheville Highway and Holston Drive through approximately 2 a.m. tonight as work continues on the wastewater collection system in the area. Local traffic access will be maintained for residents. Through traffic should use Tulane Drive. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
