Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Gibbs) Tazewell Pike Lane Closure [December 22] – KUB crews will close a short section of the southbound lane of Tazewell Pike in the Gibbs School Zone from 9 a.m. – 3 p.m., Tuesday, December 22, as work is performed on the electric distribution system in the area. The northbound lane will be open and southbound traffic will be shifted to the center turn lane. Flaggers will be on site to assist with traffic control.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's Move Over Law requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.
--

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 468,000 customers.
