Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Fountain City) Tazewell Pike Intermittent Lane Closures [Overnight, March 5-6] –

KUB crews will implement intermittent lane closures of Tazewell Pike between Shannondale Road and Beverly Road overnight from 10 p.m., Thursday, March 5, through 5 a.m., Friday, March 6, as work is performed on the electric distribution system in the area. The closed lane will vary, and traffic flow will be maintained via flaggers through the work zone.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
