Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

(South Knox) Timberlake Drive Road Closure (July 14 – October 14, 2022) – KUB crews will close Timberlake Drive to through traffic between Montlake Drive and Maloney Road daily from 7 a.m. – 4 p.m. starting Thursday, July 14, and lasting through Friday, October 14, as work is performed on the water distribution system in the area. Alternate routes include Montlake Drive and Maloney Road. Flaggers will be present to assist with maintaining local traffic flow. Access to driveways will be maintained. Appropriate signage will be placed on site to assist with traffic control. Timberlake Drive will open to normal traffic flow outside of listed work hours. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 473,000 customers.
