

TRAFFIC ADVISORY

February 26, 2020

To: Local Media Representatives

From: KUB Communications

Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Downtown) W. Summit Hill Drive Lane Closure [February 27] – KUB crews will close a short section of the inside, eastbound lane of W. Summit Hill Drive at the S. Gay Street intersection from 9 a.m. – 2 p.m., Thursday, February 27, as work is performed on the wastewater collection system in the area. Traffic in all directions will be maintained around the work zone. Friday, February 28, will be used as a rain date if necessary.

(Bearden) Kingston Pike Lane Closure [Overnight, February 27-28] – KUB crews will implement a lane closure of the westbound, curbside lane of Kingston Pike between Old Kingston Pike and Lebanon Street overnight from 9 p.m., Thursday, February 27, through 6 a.m., Friday, February 28, as work is performed on the water distribution system in the area. One westbound lane, the center turn lane, and both eastbound lanes will remain open, as will access to area businesses.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
