Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Downtown) W. Summit Hill Drive Lane Closure [February 20] – KUB crews will close a short section of the inside, eastbound lane of W. Summit Hill Drive at the S. Gay Street intersection from 9 a.m. – 2 p.m., Thursday, February 20, as work is performed on the wastewater collection system in the area. Traffic in all directions will be maintained around the work zone. Follow-up advisories will be issued as necessary.

(Downtown) Road Closures – S. Broadway & Front Avenue [February 20-21] – KUB contract crews will close implement intermittent closures of S. Broadway between W. Hill Avenue and Front Avenue, and Front Avenue between S. Broadway and Locust Street to traffic from 6:30 a.m. – 10:30 p.m. on both Thursday, February 20, and Friday, February 21, as work is performed on the electric distribution system in the area. Local traffic access to Maplehurst Apartments will be maintained via flaggers to Locust Street. Follow-up advisories will be issued as necessary.

<p>Tennessee's Move Over Law requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.</p>

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
