Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Downtown) W. Summit Hill Drive and S. Gay Street Lane Closures [May 11] – KUB crews will close a short section of the curbside, eastbound lane W. Summit Hill Drive at S. Gay Street, and the curbside, southbound lane of S. Gay Street between W. Summit Hill Drive and Wall Avenue from 9 a.m. – 3 p.m., Monday, May 11, as work is performed on the natural gas distribution system in the area. Traffic flow will be maintained around the work zone, and access to area businesses and sidewalks will remain open. Tuesday, May 12, will be used as a rain date if necessary.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
