To: Local Media Representatives

From: KUB Communications & External Relations

Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

***(West Knoxville) Westland Drive Road Closure [February 25]*** – KUB crews will close a short section of Westland Drive to through traffic between Craig Road and Buena Road from **7 a.m. – 5 p.m., Saturday, February 25**, as work is performed on the water distribution and wastewater collection systems. Alternate routes include Craig Road, Glen Brook Drive, and Buena Road. This work and road closure will be moved to Sunday, March 5, in the event of a weather-related cancellation.

Some closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, fiber, natural gas, water, and wastewater services to more than 478,000 customers.*
