Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(Downtown) Willow Avenue Road Closure [January 6-7]** – KUB crews will close a short section of Willow Avenue between S. Central Street and Patton Street to through traffic and parking overnight from 10 p.m., Monday, January 6, through 6 a.m., Tuesday, January 7, as work is performed on the water distribution system in the area. Alternate routes include S. Central Street, E. Summit Hill Drive, Patton Street, and E. Jackson Avenue. Flaggers will be on site to assist with traffic control, and access to area businesses will be maintained.

**Sequoyah Hills Area Traffic Impacts [January 6-10]** – KUB contract crews will implement the below indicated traffic control measures during work hours, 7 a.m.- 5 p.m., Monday-Friday, January 6-10, as work continues on the wastewater collection system project in the area:

- Intermittent road closures as needed during work hours:
  - Whitlow Avenue between Bluff View Road and Cedarhill Road
  - Taliluna Avenue between Lakeland Drive and South Garden Road

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
