From: KUB Communications

Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(Five Points) Wilson Avenue Intermittent Lane Closure [Weekdays, January 10-31]** – KUB contract crews will implement intermittent lane closures as needed of Wilson Avenue between S. Cherry Street and Juanita Cannon Street from 7 a.m. – 5 p.m., weekdays starting Friday, January 10, through Friday, January 31, as work is performed on the wastewater collection system in the area. The closed lane will vary, and one alternating lane of traffic will be maintained through the work zone at all times.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
