Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures and work are weather permitting]

(Sequoyah Hills) Woodland Drive Road Closure [September 13-15] – KUB crews will close a short section of Woodland Drive between Kenesaw Avenue and Cherokee Boulevard to traffic from 7 a.m., Monday, September 13, through 7 a.m., Wednesday, September 15, as repairs are made to the roadway following utility work in the area. Alternate routes include Kenesaw Avenue, Iskagna Drive, Keowee Avenue, and Cherokee Boulevard. Woodland Court traffic should enter Woodland Drive from Cherokee Boulevard. Follow-up advisories will be issued as necessary.

Residential access will be maintained, and through traffic should follow the onsite detours. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 468,000 customers.
