From: KUB Communications

Re: Traffic Advisory – Lane/Road Closure for Roadway Repair [All closures and work are weather permitting]

**(West Knoxville) Middlebrook Pike Lane Closure [March 15]** – KUB contract crews will close a short section of the eastbound, curbside lane of Middlebrook Pike between Whitehall Road and Lake Brook Boulevard from 9 a.m. – 3 p.m. on Wednesday, March 15, as work is performed on the water distribution system in the area. One eastbound lane and both westbound lanes will remain open during this time. Flaggers will be on site to assist with traffic control, and access to local businesses will be maintained.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 453,000 customers.*
