### **KUB Completes Water Main Work on Neyland Drive *All Lanes of Traffic and Greenway Re-opened***

KUB Underground Construction crews have completed installation of approximately 1,500 feet of new water main along the section of Neyland Drive between UT Gardens and Joan Cronan ahead of schedule.

Following the completion of surface repairs this morning, traffic flow on this section of Neyland Drive has been returned to normal as of this afternoon. Additionally, the section of Neyland Greenway between Lake Loudoun Boulevard and Third Creek has re-opened for use.

KUB thanks City of Knoxville Parks and Recreation and the University of Tennessee for their assistance with this project, and its customers for their cooperation.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, gas, water, and wastewater services to more than 459,000 customers.*
