**Knoxville, TN** – Knoxville Utilities Board (KUB) is partnering with the Tennessee Valley Authority (TVA) to double the amount of funding available to local nonprofit organizations through TVA's Community Care Fund.

"Providing this funding to assist our community is a no-brainer," KUB President & CEO Gabriel Bolas said. "We appreciate TVA's commitment to serving our customers in this way, and are proud to partner with them to increase the impact. We have so many nonprofits working to help those facing difficulty from the COVID-19 pandemic, and I can't wait to see this funding put to work."
