Re: Traffic Advisory – Road/Lane Closures for Utility Work [All closures and work are weather permitting]

(West Knoxville) Road Closure - Vanosdale Road [March 26] – KUB crews will close a short section of Vanosdale Road between Sheffield Drive and Westdale Drive, from 6 a.m. – 2 p.m., on Sunday, March 26, as work is performed on the wastewater collection system in the area. Alternate routes include Buckingham Drive, Portsmouth Road, and Sheffield Drive. Flaggers and signs will be on site to assist with traffic control.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures, including flagmen, will be in place at this location to assist motorists traveling in the area. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in this area.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, gas, water, and wastewater services to more than 453,000 customers.
