Proposal Title: Supply and Install Furniture and Equipment for KUB Facilities

Proposal Description: The Knoxville Utilities Board (KUB) desires to enter into a 5-year contract with an office systems furniture vendor who has the ability to furnish and install up to approximately five hundred (500) workstations of various sizes at KUB facilities in Knoxville, Tennessee. The bid process will be a two-part process. Based on proposal responses, KUB will create a short list of dealers who will be asked to produce mock-ups of a 7.5' x 8' and a 10' x 10' workstation at a site on KUB property. Final award will be based on price, quality, sustainability and the dealer's ability to provide good service.
